HEALTH FOR THE STATES

**HOLLOWAY'S PILLS**  
EXTRAORDINARY CURE OF LOS  
DISORDERED STOMACH AND  
DETERMINATION OF BLOOD.  
Copy of a letter from Mr. T. Lloyd,  
Hartlepool, England.

To Professor Holloway:  
Sir—I avail myself of the first opportunity of addressing you, for a very long period I was suffering from a dangerous giddiness and frequent vomiting in the head, attended by loss of appetite, disordered stomach, and generally impaired health. Every medication failed to give me any permanent relief, and at length it became so alarming that I was really afraid of going about without an attendant. In this melancholy condition I waited personally upon Mr. Hughes, Chemist, Hartlepool, for the purpose of consulting him as to what I had better do; he kindly recommended your Pills, I tried them without delay, and after taking them for a short time I am happy to bear testimony to their wonderful efficacy. I am now restored to perfect health, and enabled to resume my usual duties. You are at liberty to publish this letter in any way you may think proper.  
I am, Sir, your obedient Servt.  
June 6th, 1852. (Signed). JOHN LLOYD.

MIRACULOUS CURE OF DROPSY.

DEAR SIR—I deem it a duty to owe to you and the public at large, to inform you of a most miraculous recovery from that dreadful disease, Dropsy, and which, under God, was effected by your invaluable Pills. I was tapped five feet from the right umbilicus, and skilfully treated by two men (21 p.m.) a.m., but could not get cured, until I had recourse to your remedy, and notwithstanding all I had undergone, this miraculous medicine cured me in the course of a few weeks.

(Signed) EDWARD ROWLEY.

INFALLIBLE CURE OF STOMACH COMPLAINTS, WITH INGESTION AND VIOLENT HEADACHE.

Extract of a Letter from Mr. G. Green, Chemist, of Cufion, near Boisot, dated July 4th, 1852.

To Professor HOLLOWAY:  
DEAR SIR—I am requested by a lady named Thomas, just arrived from the West Indies, to request you that for a period of eight years, herself and family suffered from continual bad health, arising from disorders of the liver and stomach, Indigestion, Loss of Appetite, violent Head-aches, pains in the side, weakness and general debility, for which she consulted the most eminent men in the colony, but without any beneficial result; at last she had recourse to your invaluable Pills, which in very short time effected so great a change for the better, that she continued them, and the whole family were restored to health and strength. Further, she desires me to say, that she has witnessed their extraordinary virtues in those complaints incidental to children, particularly in cases of Measles and Scrofulosis, having effected positive cures of these diseases, with no other remedy. (Signed) S. W. N.
